

**YOUR SPECIALTY
INDUSTRIAL &
ENVIRONMENTAL
SERVICES PROVIDER**

**MANUFACTURING &
PROCESS EQUIPMENT**

PRODUCTS

- Direct & Indirect Fired Heaters
- Inlet Manifolds
- Separators (Vertical & Horizontal)
- TEG Dehydrators
- Modules (Structural, Piping & Equipment)
- Pressure Vessels (ASME Section VIII Div. 1)
- Metering Skids
- Water Injection Skids
- Boiler Tube Bundle Repair
- Equipment Refurbishing

In depth capability for fabrication of spooling incl:

- SA-106 Gr B
- SA-333 Gr 6
- SA-304/304L
- SA-316/316L
- SA-335 P-22
- Duplex & Super Duplex

CEDA's multiple registered welding procedures (WPS's) support the repair, fabrication and inspection for the welding requirements in the markets we serve.

MANUFACTURING & PROCESS EQUIPMENT

CEDA offers complete custom fabrication packages with in-house electrical, instrumentation and control capabilities. In addition, we fabricate and/or repair pipe spooling, structural, pressure vessels and associated assemblies. Our experience and expertise allows us to offer a wide range of design and fabrication options tailored to your needs.

SERVICES

- Engineering & Design
- Procurement
- Project Management
- Quality Assurance & Quality Control
- Transportation Services
- Installation, Commissioning & Field Services
- After Sales Service & Support

FABRICATION FACILITY

- Located in Bonnyville, Alberta
- 40,000 sq. ft. of Indoor Fabrication Space
- 22 Acres of Secured Fenced Graveled Yard
- 5 – 50' x 25' Bi-Fold Doors
- 2 – 5 Ton Indoor Crane Capacity
- 6 – 10 Ton Indoor Crane Capacity
- 8 – 55 Ton Mobile Crane Capacity
- Dedicated Welding Stations
- Automated Sub-Arc
- Water Jet & Plasma Tables
- Iron Workers, Brakes & Shears

CERTIFICATIONS

- ABSA Certificate of Authorization for Construction, Repair & Alteration of:
 - Pressure Vessels
 - Boilers
 - Direct Fired Heaters
 - Indirect Fired Heater Coils
 - Pressure Piping
 - Fittings
 - Hot Tapping
- Certificates of Authorization in British Columbia (TSBC Licence # LBP0205450), Saskatchewan (TSASK) and Ontario (TSSA)
- APEGA Permit to Practice
- CWB Certificates for CSA Standards W47.1 & W47.2, Division 2

Specializing in
industrial maintenance,
turnaround and
environmental services.

In a complex and ever-changing world, we're the ones who get it done. CEDA is where resourcefulness meets inventiveness, where experience meets innovation and where challenges inspire world-class solutions. With over 50 years of hands-on experience, our skilled workforce takes on the toughest industrial projects with determination, ingenuity and a results-driven approach — always with safety at the forefront.

We help industries thrive by delivering reliable industrial and environmental services that maximize production, mitigate risk and prevent costly outages. Powered by cutting-edge technologies, CEDA provides more than 120 specialized services and cost-effective solutions across North America, creating exceptional value for our clients.

CEDA PROVIDES INTEGRATED SOLUTIONS FOR:

Environmental Services

As an industrial maintenance, turnaround and environmental services provider, we are committed to helping our clients progress their environmental, social and governance (ESG) initiatives. We partner with our clients to keep their critical assets in the best operating condition to minimize adverse impacts to the environment and to use resources efficiently.

Operations & Maintenance

CEDA offers a wide range of comprehensive operation and maintenance services focused on the breadth of mechanical and industrial cleaning activities. Our experience and footprint across Canada has resulted in effective strategies to address the ever-changing needs of our clients. We are capable of working onsite as well as providing maintenance and repairs to live operating units in a safe and timely manner without unplanned disruptions.

Turnarounds & Outages

CEDA has the experience and expertise to support the supply and management of integrated turnaround and outage related services including mechanical, chemical cleaning, pressure and vacuum, fabrication, heat exchanger cleaning and repair, or any combination thereof. We support the most demanding schedules with multiple dayshift and nightshift crews in various locations.

Capital Projects

CEDA is a complete service provider for capital project activities from off-site fabrication of piping, pressure vessels, modules, and packaged equipment to site installation, commissioning and startup. What sets CEDA apart is our ability to provide multiple mechanical and industrial cleaning services, therefore, limiting the number of subcontractors.

Commissioning & Startup

CEDA's pre-commissioning, commissioning and startup services for new build or facility expansion projects are multi-disciplinary, where we interface between construction and operations to verify work based on project specifications. We manage the relevant punch list across hydro-testing, cleaning, commissioning and remaining mechanical activities. CEDA is able to complete the static testing of equipment up to the issuance of ready for commissioning certificates.

Integrated or Stand-Alone

CEDA's service and product lines work as an integrated offering or independently.

CEDA'S CORE SERVICES & PRODUCTS

PRESSURE, VACUUM &
FLUID TRANSPORTATION

CHEMICAL CLEANING

TANK MAINTENANCE & CLEANING

PIGGING & DECOKING
